

Procedures for inside services. We are looking forward to gathering for Worship once again. We are very excited, however, our leadership wants to ensure the safety of our members and abide by the guidelines put forth by Governor Ivey and the Alabama Department of Public Health. Therefore, we propose the following Reopening Strategy for our church.

Your health is most important and we want to remind everyone that our Sunday Service will continue to be broadcast live on Facebook, transmitted on the radio in our parking lot, and links will be on our Facebook, Vimeo, and our website. If you have pre-existing health conditions that put you in the high-risk category, it may be wise for you to wait a little longer before returning to indoor services to ensure your safety. No one should attend service if they have a fever or any other symptoms associated with COVID-19.

1. To maintain safe social distancing practices we will have arranged seating to accommodate the suggested 6 ft. distancing.
2. The following social distancing and safe hygiene practices will be implemented:
 - The church has been fully sanitized and will continue this process each week between services.
 - Hand sanitizer stations will be located in several locations around the church.
 - Physical contact is discouraged (this includes hugs, high fives, holy kisses, handshakes, fist bumps, etc.)
 - The offering plate will not be passed during the service. Instead they will be available at the door at the end of service. Offerings will also continue to be received through the mail, church push pay app, church drop-off, direct pay from your online banking, and/or through the online pay located on the home page of our church website <https://pushpay.com/g/brasherschapelchurch?src=hpp>.
 - All entrance doors will be maintained in the normal fashion by our security team. This will be security opening the doors as you enter and the doors will be propped open as you leave.
 - There will be no fellowship song or choir. We will be having praise and worship similar to the music we have had during our drive in services.
 - Please do not congregate as groups inside the building.
 - Childcare WILL be provided for our nursery and kiddie church ages. There will be no children's church for the elementary aged children.
 - There will be no printed church bulletins distributed. All announcements will come during our video slides, morning announcements, facebook, and church text and email messages.
 - There will be no Sunday School or PM services on Sundays at this time.

Thank you for your patience as we begin this new phase of service during the Covid-19. Some of these items may be subject to change as we actually begin the opening of our church building. Our ultimate goal is to ensure the safety of our members and our guests. We also want to make this process as easy as possible for everyone. We look forward to worshipping with you on Sunday.
